

Machine Name : Gantry milling machine

Brand : Hartford

Machine Model : CNC-3190

Stock No. : 90621

Ex-factory Date : 2014

Main Technical Parameters:

Weight :9000kg

Repositioning accuracy :0.01mm

Distance from spindle nose to worktable :150-1070mm

Distance from spindle center to column :347mm

Spindle power:22kw

BT50 gear spindle

Full close loop glass scale
