Machine Name : Five axes high speed and high efficiency CNC gear shaper machine

Brand : Gleason-Pfaulter

Machine Model : GP200ES

Stock No. : 490015

Ex-factory Date : 2006

Main Technical Parameters:

CNC System:SIEMENS 840D

Largest module (Steel with approx. 600 N/mm^2):6mm

Maximum width:70mm

Maximum diameter:200mm

Largest helix angle when using cutters for inclined shaping with 125 mm diameter:±45°

Maximum planet diameterm:350mm

Maximum internal diameter:200mm

Maximum cutter diamete:125mm

X*Y*Z axis travel:230*(±25)*250mm

B axis:0-12°
